

What are the costs?

- **First Touch** - \$55
- **Level 1 (in-house recreational)** - \$70
- **Level 2 (recreational)** - \$90

How do I register my child?

You can register online by choosing the appropriate link on our homepage.

Payments

You can pay by online by Credit Card or Debit Card. Please be aware that online registration will not allow you to complete the process without payment. We are happy to make arrangements to meet you in person for cash or check payments.

What is the difference between the different programs?

First Touch Program - This program is for boys and girls who are 3 or 4 years of age. This group of players meets **ONLY** on Saturday mornings for about an hour. We rely on parents to help conduct the activities each week.

In-House Recreational Program (Level 1) - This program is for boys and girls who are between 5 and 7 years old. This group of players will meet 1-2 times per week for practices and will play a game every Saturday morning in Vilonia. There is no travel with this program. We rely on parents to help conduct the activities each week.

Recreational Program (Level 2) - This program is for boys and girls who are 8 years and older. This group of players will meet 1-2 times per week for practices. Most games will be on Saturday; although, there may be some other days. These teams will participate in the Central Arkansas Recreational League and will travel to other Central Arkansas cities for about half of their games.

When does the season start?

In general, our Spring season begins in early/mid-March and ends in late April/early May. Our Fall season begins in early/mid-September and ends late October/early November. There may be some adjustments to dates for weather conditions.

What equipment does my child need?

All registrations include a full uniform (jersey, shorts, and socks) to wear during the games. In addition, each player will also need soccer cleats, shin guards, and an appropriately sized soccer ball. First Touch and Level 1 (in-house recreational) players use a Size 3 ball. In Level 2, players on teams aged 9U-12U will use a Size 4 ball and players on teams aged 13U and older will use a Size 5 ball.

How much will my child get to play?

Each child should play at least half of each game. Coaches follow this as closely as possible based on opportunities to sub players, behavior issues, and players not wanting to play.
